WINE AND CHEESE OPEN HOUSE

Monday, November 24, 2008 at 6:00 pm

D

Dorval Airport Hilton

(free parking validation)

Come one, come all to hear [Suzie Prince, C.M.A., M.B.A.](#) Vice-présidente exécutive et directrice générale of Corporation des Approvisionneurs du Québec (CAQ) as she presents the new Strategic Plan for the future of the Quebec Institute (CAQ) of the Purchasing Management Association of Canada (PMAC). Ask your questions and receive informed answers on how this impacts you.

PMAC-CAQ West Island is proud to host this Wine and Cheese Open House networking evening to bring together Past Presidents, Past Members, Present Active Members and New Student Participants of the Certificate in Purchasing and the Certified Professional Purchaser (C.P.P.) Programs.

A great opportunity for all to re-connect with past contacts and meet new ones. You may be meeting your next employer or your next star purchaser / supply chain manager.

As a stakeholder in the PMAC – CAQ through your past involvement, present involvement, and future involvement this information session is a must attend event. We are certain that it will satisfy your hunger and thirst for answers about our Strategic Plan and future direction, and of course, for the wonderful selections of cheeses and wine we are honoured to offer you as our guest.

(this is a no cost event to all participants with free parking validation)

Please RSVP before November 21, 2008 to Fred Jansen fredj@videotron.ca or call (514) 913-3572

Mark it in your calendar and plan to join us;
